

## District Spotlight

2015-16 Ravenswood enrolled 3,666 students.

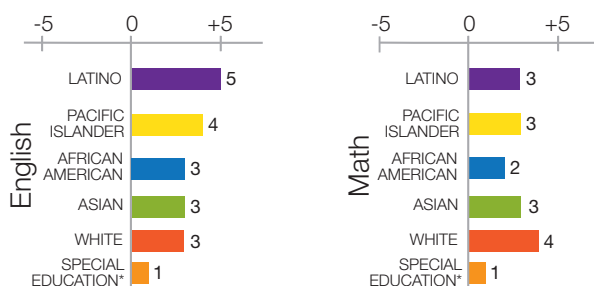

Despite being located near some of the highest-performing districts in the state, Ravenswood City Elementary School District consistently performs far below the state averages for the student groups it serves. The vast majority of students in Ravenswood are not meeting standards.

Although scores at the state level increased for all groups of students, scores in Ravenswood are mostly stagnant and have even decreased for Pacific Islander students.

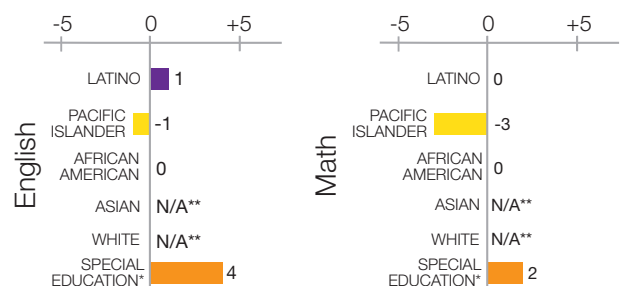

**Percentage of Low-income Students in 2015-16**

**Change in Proficiency from 2014-15 to 2015-16 in California**

**Change in Proficiency from 2014-15 to 2015-16 in Ravenswood**

\*This group not mutually exclusive to the other groups.

\*\* No data were available for this group of students in Ravenswood due to low student populations for that group.
