

SPOTLIGHT ON SOUTHEAST LAUSD

Southeast LAUSD: South Gate, Huntington Park, Maywood, Walnut Park, Florence-Graham, northern Central Alameda, Bell, Cudahy

Los Angeles Unified School District (LAUSD) schools in the southeast enrolled 63,710 students in 2017-18. Latino students make up 97% of the student population in the region (61,695 students in total). 91% of students are low-income and Latino, and over a quarter (26%) are English Learners. This fact sheet shows how the southeast area of LAUSD Board District 5 is serving its Latino students based on the latest state test scores in English and math, graduation rates, and the percentage of graduates that have completed the coursework necessary to be eligible to apply to a UC or CSU.

QUICK FACTS: SOUTHEAST

55 Elementary Schools	21 Middle Schools	22 High Schools
---------------------------------	-----------------------------	---------------------------

• Most students (85%) in Southeast LAUSD attend district schools.

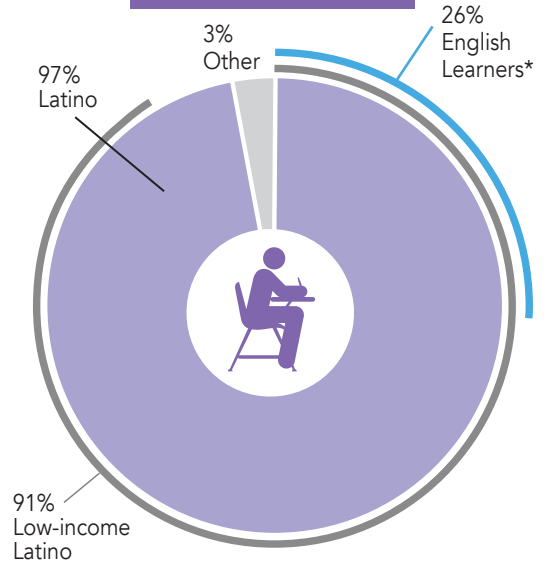

More than a quarter of those students attend a magnet district school. Charter schools enroll less than 15% of the region's students.

• Only four out of ten Latino students are on grade level in English and only three out of ten are on grade level in math.

In comparison, across LAUSD, seven out of ten White students are on grade level in English and six out of ten are on grade level in math.

• Out of 89 schools in the Southeast**, only 9 are above the state average for English and math.

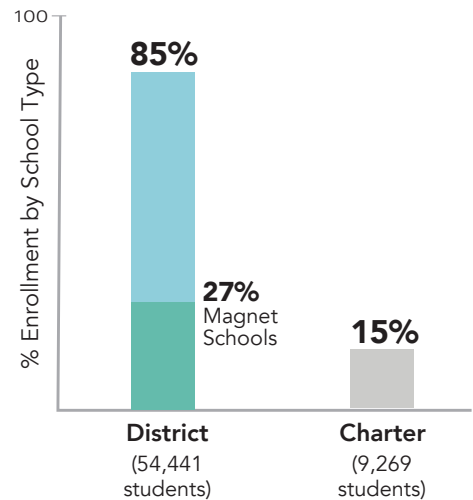

DEMOGRAPHICS
